Sl. No.	Chapter/ Description	Page No.
PART I PROJECT BACKGROUND & SITUATION ANALYSIS		
1.	JNNURM & CDP	1-6
1.1	The Mission	1
1.2	Objects, Processes & Permissible Activities	2
1.3	The Process of CDP Preparation	4
1.4	Detailed Methodology Adopted	5
SECTION 1 URBAN PROFILE		
2.	City Profile	7-9
2.1	Introduction	7
2.2	Geographic Characteristics	7
2.3	Connectivity	7
3.	Demographic Profile	10-18
3.1	Introduction	10
3.2	Demographic Trends	10
3.3	Migration Trends	14
3.4	Social Composition	15
3.5	Population Projections	17
3.6	Key Issues	18
4.	Economic Base	19-25
4.1	Introduction	19
4.2	Employment Profile	19
4.3	Occupational Structure & Dominant Activities	20
4.4	Industrial Development	22
4.5	Trade and Commerce	23
4.6	Key Issues	24
5.	City Development and Land Use	26-35
5.1	Introduction	26
5.2	Morphological Development of the City	26
5.3	Land Utilisation	30
5.4	Review of Master Plan 2021	32
5.5	Key Issues	34
6.	Tourism and Heritage Conservation	36-41
6.1	Introduction	36
6.2	Tourist and Recreational Destinations	36
6.3	Tourist Arrivals	38
6.4	Employment Potential	39
6.5	Key Issues	40
SECTION 2 URBAN INFRASTRUCTURE		
7.	Water Supply	42-51
7.1	Introduction	42
7.2	Present Scenario	42
7.3	Future Requirements	48

	7.4	Key Issues	49
8.		Sewerage and Sanitation	52-60
	8.1	Present Scenario	52
	8.2	Future Requirements	52
	8.3	Network Coverage	57
	8.4	Sewerage Generation	57
	8.5	Treatment System	58
	8.6	Sewer Connections	59
	8.7	Key Issues	60
9.		Storm Water Drainage	61-63
	9.1	Current Situation	61
	9.2	Wastewater Management	62
	9.3	Key Issues	63
10.		Solid Waste Management	64-70
	10.1	Introduction	64
	10.2	Current Practices in SWM	64
	10.3	Key Issues	69
11.		Traffic and Transportation	71-77
	11.1	Transportation System	71
	11.2	Travel Characteristics	76
	11.3	Key Issues	77
12.		Street Lighting	78
	12.1	Introduction	78
	12.2	Current Situation	78
13.		Environmental Aspects	79
	13.1	Environmental Quality	79
SECTION 3		BASIC SERVICES FOR THE URBAN POOR	
14.		Basic Services for Urban Poor	80-86
	14.1	Characteristics of Slums	81
	14.2	Status of Community Facilities	82
	14.3	Character of Slums	83
	14.4	Status of Health	84
	14.5	Slum Housing	84
	14.6	Slum Improvement Schemes	85
	14.7	Key Issues	85
SECTION 4		INSTITUTIONAL AND FINANCIAL ASPECTS	
15.		Urban Governance & Institutional Framework	87-104
	15.1	Introduction	87
	15.2	Institutions for Urban Development & Service Delivery	87
	15.3	Institutional Roles & Responsibilities	88
	15.4	Overlap of Roles and Accountability	102
	15.5	System Deficiencies	103
	15.6	Key Issues	104
16.		Financial Profile & Credit Worthiness	105-110
	16.1	Existing Practices	105

16.2	Finances of MCA	107
16.3	Finances for Water Supply and Sewerage	109
16.4	Key Issues to Consider in the Plan	110
SECTION 5	SWOT ANALYSIS AND DEVELOPMENT CHALLENGES	
17.	SWOT Analysis into Service Delivery	111-113
17.1	City Level	111
17.2	Institution Level	112
17.3	Key Issues	113
18.	Critical Assessment of Development Challenges & Resource Requirements	114-115
18.1	Short-term Challenges	114
18.2	Medium term Challenges	114
18.3	Long term Challenges	115
18.5	Key Issues	115
PART II	VISION FORMULATION AND STRATEGIES	
19.	Vision Statement	1-3
19.1	Evolving the Vision	1
19.2	Stakeholder Consultations	1
19.3	Vision Statement	3
20.	Formulation of Strategies	4
20.1	Urban Infrastructure and Governance	4
20.1	Urban Basic Services for the Poor	4
PART III	DEVELOPMENT PROJECTS AND PRIORITIES	
SECTION 1	URBAN RENEWAL	
21.	Urban Renewal	2-3
21.1	Issues and Strategies	2
21.2	Project Phasing and Costing	3
SECTION 2	URBAN INFRASTRUCTURE	
23.	Water Supply	4-9
23.1	Identification of Projects	4
23.2	Projects for JNNURM	5
23.3	Project Phasing and Costing	7
24.	Sewerage and Sanitation	10-14
24.1	Identification of Projects	10
24.2	Projects for JNNURM	11
24.3	Project Phasing and Costing	12
25.	Storm Water Drainage	15-18
25.1	Identification of Projects	15
25.2	Projects for JNNURM	16
25.3	Project Phasing and Costing	16
26.	Solid Waste Disposal	19-22
26.1	Identification of Projects	19
26.2	Projects for JNNURM	19
26.3	Project Phasing and Costing	21
27.	Tourism and Heritage Conservation	23-29

27.1	Identification of Projects	23
27.2	Projects for JNNURM	24
27.3	Project Phasing and Costing	28
28.	Roads and Transportation	30-34
28.1	Identification of Projects	30
28.2	Project Phasing and Costing	31
29.	Other Infrastructure/ Community Facilities	35-36
29.1	Projects for JNNURM	35
29.2	Project Phasing and Costing	35
30.	Environmental Aspects	35
30.1	Projects for JNNURM	35
30.2	Project Phasing and Costing	35
SECTION 3	BASIC SERVICES FOR THE URBAN POOR	
31.	Urban Basic Services	37-42
31.1	Integrated Slum Development	37
31.2	Housing	38
31.2	Community Participation	39
31.2	Project Phasing and Costing	40
SECTION 4	INSTITUTIONAL AND FINANCIAL REFORMS	
32.	Institutional Reforms	43-46
32.1	Introduction	43
32.2	Mandatory Reforms at State Level	44
32.3	Urban Governance Reforms at City Level	44
32.4	Project Phasing and Costing	45
33.	Finance and Accounting Reforms	47-34
33.1	Introduction	47
33.2	Accounting Reforms	47
33.3	Increasing the Revenue Base	48
33.4	Water Supply Management	48
33.5	Project Phasing and Costing	49
SECTION 5	FINANCIAL OPERATING PLAN AND STRATEGY	
34.	Financial Operating Plan and Strategy	51-67
34.1	Analysis of Existing Situation	51
34.2	Financial Operating Plan	51
34.3	Forecast of Revenues	52
34.4	Capital Investment Plan	53
34.5	Financing Strategies	56
34.6	Impact of FOP under Sustainable Investment Scenario	56
PART IV	ANNEXES	
1.	Consultation with Former Mayor & Corporators	1
2.	Ward wise Population Density in 2001	4
3.	List of Slum Settlements	6
4.	Tax Revenue of MCA	8
5.	Tax Revenue of MCA	10
6.	Expenditure of MCA	13

7.	Stakeholder Workshop I	15
8.	Quantification of Priorities to Projects	20
9.	Projects Proposed by JN under JNNURM	33
10.	Break-down of Costs of City Water Supply	36
11.	Sanitation and Sewerage Projects from JN	37
12.	Sewerage and Sanitation Projects from JN	39
13.	Preliminary Cost Estimates for Equipment and Machinery	41
14.	Roads and Transport Projects and Estimated Costs	42
15.	Financials of Allahabad Development Authority	46
